18% COMMISSION ON NEW GROUP BOOKINGS!

VALUE FOR CLIENTS, VALUE FOR YOU

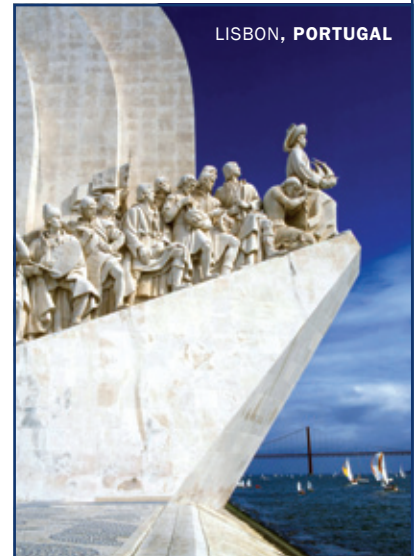

Azamara already has a great group policy for our guests, but until February 18, 2011 we're adding an incredible value for our travel partners! New group bookings made before the end of the year are eligible for 18% commission regardless of your normal commission rate! Reserve group space today and take advantage of these new amenities:

- **18% travel partner commission!**
- A TC ratio of 1:10 for all groups, markedly superior to the industry standard of 1:12-16
- A 5-stateroom minimum for group status, as compared to 6-8 on other cruise lines
- A new Group Amenities Plus (GAP) program with points redeemable for exciting value-adds such as a private onboard party or wine tasting, free internet, and onboard credits

In addition, agents can hold space and lock in static rates for 150 days, allowing for more time to build your group and still enjoy advance rates. You can even work with your local sales manager to extend this period in many situations.

For more information or to plan a group booking, please contact your Azamara Club Cruises or Royal Caribbean International Business Development Manager, or visit CruisingPower.com
