## Your Pre-cruise Tanzania Safari Schedule

### Day 1: Arrive in Style

**Evening:** Welcome to Africa and Kilimanjaro Airport. We'll meet you and transfer you to the Lake Duluti Serena Hotel in Arusha, Tanzania. Once there, you can settle in and prepare for your first day of adventures.

### Day 2: Nature and Nurture

**Morning:** Enjoy breakfast in your hotel and then a morning on your own. Relax poolside or explore the scenic Lake Manyara area by bicycle or canoe.

**Optional Experience:** Up for your first adventure? Add an early morning flight over the tallest free-standing mountain in the world, Mount Kilimanjaro.

**Afternoon:** After your prepared lunch, we'll take you to Lake Manyara Serena Safari Lodge. Head through the Maasai Steppe in a luxury coach and watch Lake Manyara come to life. Picturesque African villages with their unique local flair. And coffee and banana plantations as far as the eye can see. Enjoy the scenic route as you ride up to your lodge, nestled on the edge of the Rift Valley. Once there, take some time on your own to settle into the grounds, where you'll feel the local charm right from the start.

**Evening:** Enjoy a special curated dinner of local and international delicacies. Unwind with a massage, delivered in the quiet, quaint setting of an enchanting tent. Or relax in the library with a book on African culture and history.

*Meals included: Breakfast, lunch, and dinner*

### Day 3: Aviary Aficionados Rejoice

**Morning:** After your prepared breakfast, you'll head out on your first game drive in Lake Manyara National Park. Scope out this scenic gem. Thousands of flamingos, 400 species of birds, unique tree-climbing lions, and the largest concentration of baboons in the world call this place home.

**Afternoon:** You'll head northwest after your complimentary lunch, across the highlands. Tanzanian wheat and coffee plantations are in view as you make your way into the Ngorongoro Conservation Area. Experience the ultimate backdrop with the vast plains of the Serengeti on the horizon.

**Evening:** Before your curated dinner, take advantage of the amenities of your lodge. Go for a dip in the stunning infinity pool. Feeling social? Ask your Celebrity Concierge to arrange a culturally interactive trip to a local village.

*Meals included: Breakfast, lunch, and dinner*

### Day 4: Put Your Game Face On

**Morning:** Lights! Camera! Action! The sunlight plus your camera makes for perfect photo-op of the animal action this morning. After your complimentary breakfast, explore Serengeti National Park. Tanzania's oldest and most popular national park protects the most varied collection of terrestrial wildlife. It's also home to the Big Five (lions, leopards, elephants, rhinos and buffalo), as well as millions of wildebeest.

**Optional Experience:** Add an early morning hot air balloon safari ride for a view of the African plains like no other. See your Celebrity Concierge for additional options.

## Your Pre-cruise Africa and Europe Vacation FAQ

### What will my experience with the wildlife be like?

You will have a guide with you throughout the entire trip. If you need anything, they will always be available. The wild animals you will encounter on safari are not like those found in theme parks - they are not tame. You must listen to the camp/lodge staff and guides. Safety precautions need to be taken seriously, and strictly adhered to. Observe animals silently and with a minimum of disturbance to their natural activities. Loud talking on game drives can frighten the animals away. Never attempt to attract an animal's attention. Don't imitate animal sounds, clap hands, pound the vehicle or throw objects. You should respect the driver-guide's judgment about proximity to lions, cheetahs and leopards. You should not insist that they take the vehicle closer so that you can get a better photograph.

### Is English spoken in Tanzania?

The official national language is Swahili, though English is spoken throughout the country.

### What currency is used in Tanzania?

The Tanzanian shilling is the currency used in Tanzania.

### What is Tanzania's time zone?

The time in Tanzania is 7 hours ahead of Eastern Standard Time.
