

THE VITALITYSM SPA EXPERIENCE

From the moment you enter our luxurious VitalitySM Spa, your personal needs and preferences will become the centerpiece and your treatments will be choreographed to ensure the most enjoyable and beneficial result.

It's easy to get the Royal treatment during your cruise vacation. Simply visit the VitalitySM Spa on the first day of your cruise. Take a quick complimentary tour, learn about our signature services and select your preferred time for your spa treatments whether at sea or in port. We also offer seminars throughout your cruise vacation so you can learn about the latest health techniques and trends. Also ask about a complimentary consultation with our friendly and knowledgeable staff.

New Treatments Available. Select Royal Caribbean International® ships now offer Medi-Spa Cosmetic Treatments administered by a licensed physician. Enjoy the beautiful benefits of BOTOX® Cosmetic, Dysport™, Restylane® and Perlane® services at your leisure. We also offer Spa and Salon services including: waxing, Brazilian Blowout, Thai Herbal massage and Bamboo Massage. With over 150 treatments available onboard, the question is which one to choose first.

Take the Royal treatment home with you. Simply visit www.timetospa.com to purchase the Vitality Spa products used and sold onboard. Relive the rejuvenation in the comfort of your own home. Also makes great gifts.
