We're changing everything about our ships, except their names.

Now guests will find five-star restaurants, Vintages wine bars and the renovated Viking Crown Lounge, in addition to guest-favorite features on other ships in our fleet.

And, if people can tear themselves away from staring at the stars, they will also be able to look up and see our extraordinary Centrum aerial show and enormous outdoor movie screen. Shrek and Kung Fu Panda will be very busy this year, appearing on more ships along with the DreamWorks characters from Madagascar.

When you're seeking a pit stop before your next onboard adventure, retreat to your beautiful new stateroom. It's where modern furnishings meet newly added Wi-Fi, for personal downtime in total comfort. Settle in. Relax awhile. Then get back to exploring the all-new WOWs that make for one unforgettable vacation!
