

This is not a cruise. This is gamechanging with seven floating neighborhoods. It's climbing a massive rock wall in the middle of the Caribbean, then hanging ten high above the seas on the FlowRider® surf simulator. Watching acrobats splash down in the AquaTheater, the first aquatic amphitheater at sea — then catching a full Broadway-style production of the hit musical, CATS. All on the ship that redefined how you stay, play and unwind. This is not the Caribbean. This is the Royal Caribbean®
