OUR SHIPS VISIT A NUMBER OF GLOBAL DESTINATIONS, SO YOU CAN EXPERIENCE FAMILY TOGETHERNESS IN A NEW AREA OF THE WORLD EACH YEAR.

TRADITIONAL DINING & SPECIALTY MENUS: Our special holiday menus give you the warm comfort food of Thanksgiving, Christmas and Hanukkah, so your family doesn't miss out on their favorite goodies. While our menu items differ from ship to ship, when you cruise with Royal Caribbean, your kids can dream of sugarplums and candy canes while you get to relax and enjoy the experience without all the prep work - or the clean up.

RELIGIOUS SERVICES: Worship your holiday through our special onboard services held by licensed practitioners of major denominations. Depending on the ship, you can attend a priest-led Midnight Mass on Christmas Eve or Christmas Day or attend Hanukkah services led by a Rabbi. Even miles offshore from your synagogue or church, you can celebrate these important moments together with family, friends and other followers.

GET ALL THE COMFORTS OF HOME... EVEN IF YOU CAN'T PACK THEM

The holidays are a time of family, togetherness and a deep appreciation for love and life. They're also the time for stresses, messes and excesses. Don't you wish you could have all the wonders of winter without all the work? You can - and it only takes one person to inspire a new family tradition. That person is you.

Families who have experienced a holiday cruise onboard Royal Caribbean have responded to us with rave reviews. Many of them come back year after year - some to the same destinations, some to new ones. We want you to join them and experience a winter wonderland at sea.

When it comes to holiday decorations - we give another meaning to "decked" out.

THANKSGIVING

There is no better way to give thanks to your loved ones than to take them on a holiday vacation; a vacation where you can rest, relax and rejuvenate. And there is no better vacation that provides all these things and more than a Royal Caribbean cruise vacation. Have the togetherness you seek with family in the evenings, and the freedom to pursue your own individual interests during the day. Kids can take part in our award-winning Adventure Ocean® youth program where they'll read stories about the history of Thanksgiving with new friends. Meanwhile, Mom can have a day at the spa and Dad can try his luck in the Casino.

There is truly something for everyone, all ages, any interest - talk about something to be thankful for.

CHRISTMAS

Forget the chimney, how about Santa and the smokestack? Even the jolly old elf himself loves cruising. From garlands on the grand staircase to a sparkling, bigger-than-life tree, the Christmas spirit is delivered with style, sophistication and class. Perfect for family portraits, these holiday memories will last a lifetime and be delightfully documented for years to come.

No matter where we are in the world, at sea or in port, Christmas is a time of joy and surprise for all ages featuring special holiday storytelling, caroling, cookie decorating, holiday music and movies.

HANUKKAH

Royal Caribbean truly embraces the Festival of Lights with glowing menorahs and Hebrew decorations adorned throughout the ship.

Sing your favorite Hanukkah songs while your children play games and have fun participating in Hanukkah arts and crafts projects, even participating in their own sing-along. Our holiday stage shows also provide festive entertainment for all ages to enjoy.

NEW YEARS

New Years is an exciting time onboard with multiple parties for all ages and interests happening simultaneously throughout the ship. This gives you the opportunity to bounce from event to event until you find the celebration you like best.

Kids and Teens also enjoy New Years Eve onboard our ships, with age-appropriate parties planned just for them. You and your significant other can enjoy that kiss at midnight without the giggles and gawks from the children - plus, they'll have a great time ringing in the New Year with their peers. This year, countdown to adventure onboard a Royal Caribbean cruise vacation.

THINK OF EVERYTHING YOU COULD BE DOING WHILE WE DO THE COOKING, CLEANING, PLANNING, PREPPING, ENTERTAINING.....
