

Royal Caribbean International® Military Rate Program

Military Rates will be available on select sailing dates throughout the year. Be sure to ask for Promotion Codes beginning with (MIL)

To qualify for a military rate, an individual must be classified as one of the following:

1. Active personnel currently serving in the United States Army, Navy, Air Force, Marines, Coast Guard, National Guard or Reserves or Canadian National Defense. Proper identification in the form of a United States Uniformed Services WHITE Identification Card for U.S. military personnel, and a WHITE N.D.21 Identification Card with a Red Canadian Flag displayed for Canadian National Defense personnel, must be presented at time of check-in.

2. Retired from any of the divisions listed directly above. "Retired" is defined as A) enlisted personnel or officers with a minimum of 20 years of service, B) medically retired, or C) 100% disabled. Proper identification for those classified in category A, or B must be in the form of a United States Uniformed BLUE Identification Card. Proper identification for those classified in category C is a United States Uniformed TAN Identification Card. Retired Canadian National Defense personnel are eligible and must possess the same white card as described above for active personnel. All forms of identification must be presented at time of check-in.

3. Veterans with an Honorable Discharge serving a minimum of 2 years, or 6-months in an active war zone, in any of the United States service divisions listed above. Proper identification in the form of a DD 214, plus a current photo must be presented at time of check-in.

4. Spouses of actively deployed, or deceased military personnel, are eligible to book one stateroom as long as the eligible spouse is occupying the stateroom. All other guests traveling in the same stateroom are also eligible for the military rate. Spouse must present the PINK Dependent Military ID upon check-in as proof of eligibility.

- It is important that at least one guest per stateroom be eligible to be considered in compliance with a restricted price program. It is also important to note that non-compliance of the restricted price program terms will result in the reservation being re-priced to the lowest available fare for that particular day. Furthermore, you will be responsible to pay for any differences immediately or else your boarding rights will be denied.

- All guests traveling in the same stateroom are eligible to receive the military rate. No additional staterooms, other than the one that is occupied by the military person is eligible for the military rate. Spouses, parents, in-laws, children or other family members or friends are not eligible for the military rate without the eligible military person occupying the stateroom.
